## CONCEPT

When we crave the perfect combination of sun and fun, you'll catch us cruising to Cancun to overlook the ocean from a private balcony at Live Aqua Beach Resort Cancun. Located in the buzzy Hotel Zone, this all-inclusive adults-only resort offers everything from a plethora of pools — the infinity pool's swim-up bar is a game changer — to an on-site nightclub for letting loose after dark. We're regulars at the private beach and when we need a break from the rays, we take a quick stroll to the shops at La Isla Shopping Village. Despite repeat visits, Live Aqua Beach Resort Cancun always leaves us wanting more Mexico.

## LOCATION

Live Aqua Beach Resort Cancun is uniquely located in Cancun. Only 20 minutes away from the airport, across from La Isla Shopping Village and steps from Luxury Avenue - the two most renowned shopping destinations in the Mexican Caribbean, where the best designers display their creations.
