+
TABEL PREFERENCE
(MIN 7 NIGHT STAY)

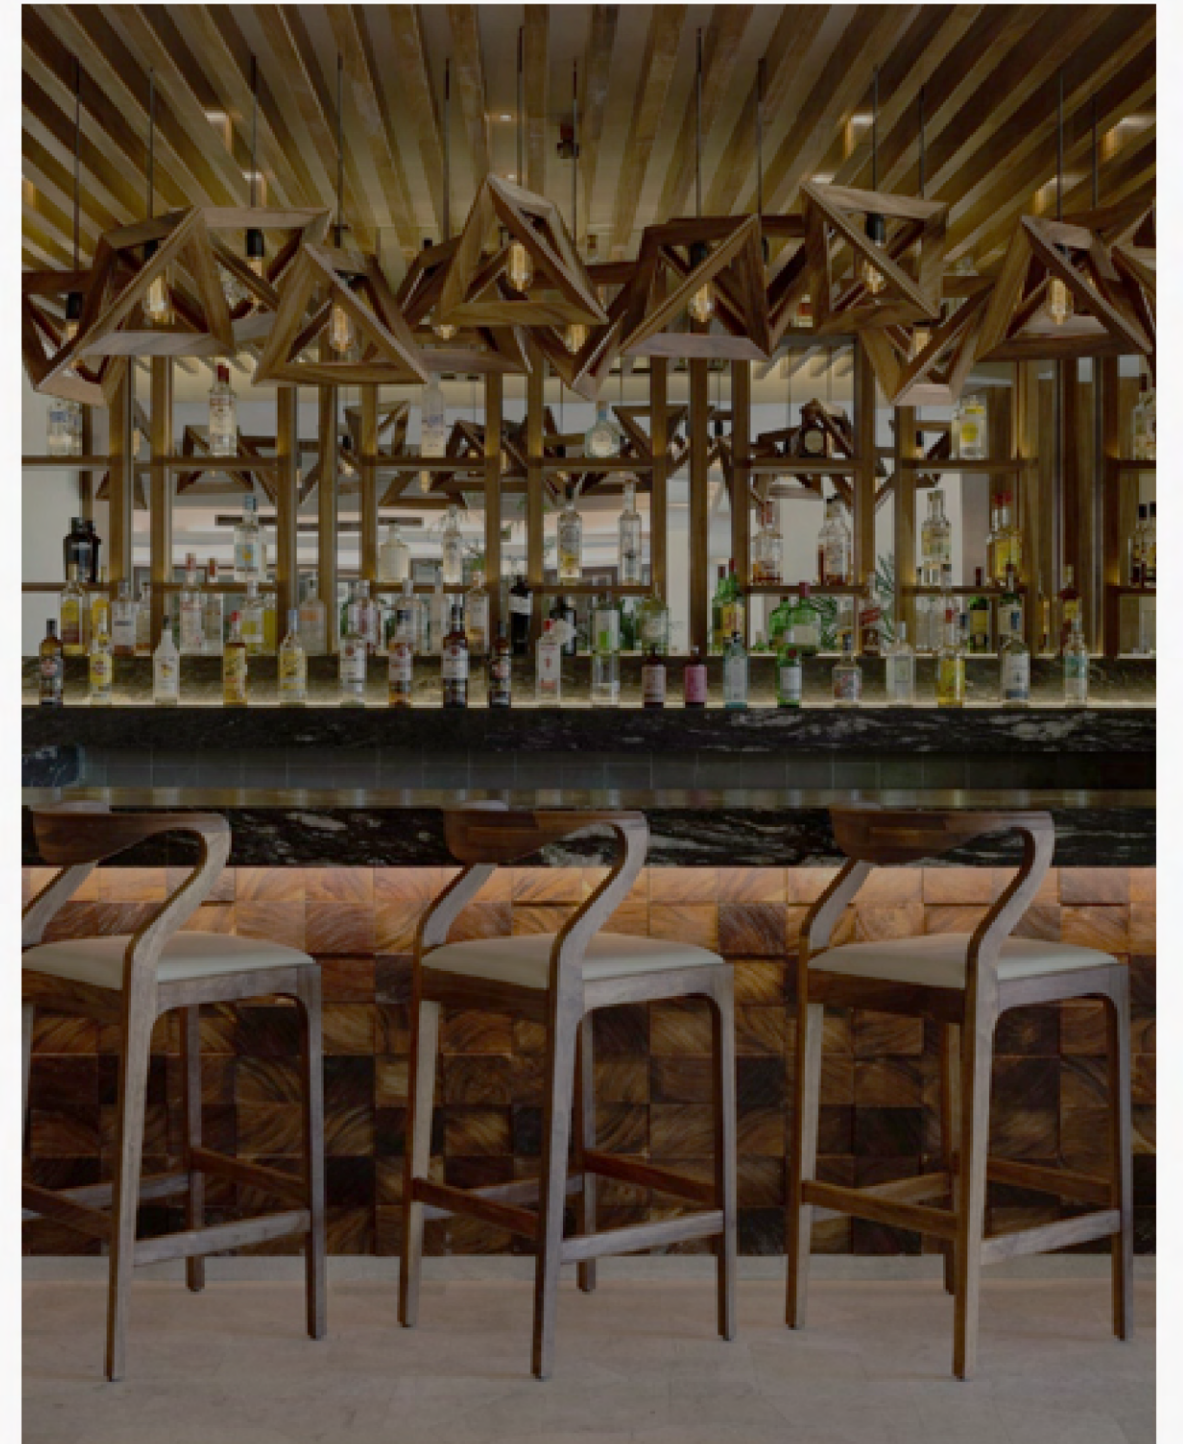

An aerial photograph of an outdoor lounge area. The space is paved with large, light-colored rectangular tiles. In the center, the text "BARS & MIXOLOGY" is written in a white, serif font. Surrounding the text are two identical sets of furniture, each consisting of four round wicker chairs with grey cushions and four white, triangular tables. The furniture is arranged in a symmetrical pattern. Long, soft shadows are cast across the tiles, indicating a low sun position. The area is bordered by raised planters filled with lush green plants, and a small black trash can is visible on the left side.
