

GREG NORMAN GOLF COURSE

This fantastic 18-hole golf course is in the exclusive Playa Mujeres complex on the mainland section of Isla Mujeres and is recognised as one of the best golf courses in Mexico. Nestled in an unspoiled natural landscape, it is surrounded by mangroves, sand dunes and bodies of water, and frequently families of different species can be observed walking across the fairways.

Guests of ATELIER Playa Mujeres have the advantage of enjoying the golf course from the first day of their stay. The concierge is always available to coordinate reservations, practice games before the tee-off, transportation from the hotel lobby to the Clubhouse, clubs and cart rental, as well as assistance with storing personal equipment.

The golf course at ATELIER Playa Mujeres offers a 7218-yard, 18-hole game, divided into two majestic settings: 9 holes beside the Chachmuchuch lagoon and 9 holes hugged by sand dunes, with a backdrop of an unbeatable view of the Caribbean Sea. The Playa Mujeres Golf Course has Paspalum grass on its greens, tee boxes, and fairways, offering a strategic Par 72 game suitable for both beginners and experienced players
