GOLF AT CASA DE CAMPO RESORT & VILLA

Three legendary golf courses designed by Pete Dye!

Pete Dye has created each course to be a unique test of golf. Teeth of the Dog is ranked as one of the world's best, and has long been considered the #1 course in the Caribbean. The 27 holes at Dye Fore play along the cliffs above the Chavon River and around several inland lakes on the Lagos nine. The recently renovated Links offers tight fairways, small greens and tall native grasses nestled amongst the luxury villas of the 7,000 acre resort. Although each course is unique, they all play on lush green fairways and have stunning views of the crystal clear waters of the Caribbean Sea. Come experience the best golf in the world at Casa de Campo.
