# WEDDINGS AND HONEYMOONS

An extraordinary love deserves nothing less than an amazing celebration and we want your wedding to be as unique and memorable as your love story. From a simple beach ceremony on the shores of the Caribbean Sea, to something slightly grander like saying "I do" at Terraza de Corazon, overlooking the breath-taking views of the Chavon River, we can help create the wedding of your dreams.

Most people travel to an exotic destination for the honeymoon, but since you're already here, why not complete the whole experience and spend a little extra alone time at Casa de Campo Resort and Villas? Wake up in paradise and enjoy our stunning resort amenities while spending some quality time together. From walking hand-in-hand on Minitas Beach, to a relaxing couple's massage, to a candlelit dinner, there's plenty of opportunity for a little bit of romance.
