CASA DE CAMPO WITH MORINGAIA

Moringaia is a family-owned, truly natural skincare and wellness brand. Made sustainably right here on the north coast of the Dominican Republic. Moringaia began as a mission to end deforestation by creating the demand for Moringa (also known as the Miracle Tree) and giving back to our local community. Moringaia is a mission with a brand, not a brand with a mission. All products are made in their solar-powered lab.

ORGANIC GARDEN-TO-TABLE GLOW | 110 MINUTES | \$375

The ideal journey for Purists and Nature lovers alike, this treatment uses local, all-natural and preservative-free ingredients. Nourishing honey, moringa oil, hibiscus extract and other garden treasures come together to reveal supple skin and restore a youthful radiance. Includes a scalp treatment and nourishing facial followed by a massage to leave you glowing from tip-to-toe.

CASA DE CAMPO WITH EVIDENS DE BEAUTE

EviDens de Beauté was born from a love story between Charles-Edouard Barthes and Eriko, blending French elegance with Japanese skincare expertise. While cocooned in this antioxidant shot, your face is cleansed, exfoliated, and treated with a moringa leaf mask infused with cassava powder for a nourishing boost. After a refreshing garden shower, the experience ends with a face and body application of Moringaïa serum and oil to restore balance and leave your skin glowing.
