A Message From

THE MANAGING DIRECTOR

Dear Partners and Friends,

We are thrilled to unveil the next evolution of Sugar Cane Club Hotel & Spa, a complete reimagining of the concept and guest experience.

For years, we have proudly offered an all-inclusive experience. Now, as the world and travellers have evolved, so must we. Today, the modern Caribbean traveller is seeking authentic, relaxation, experience-rich escapes that blend wellness, culture, quality service, and value!

In response to this movement, we are excited to announce a fundamental shift in our Model. Effective May 1, 2026, Sugar Cane Club Hotel & Spa will transition from an all-inclusive resort to a premium Boutique Hotel. Within this document, you will find everything you need to know about the upcoming changes and how to sell Sugar Cane Club into the future.

We recognise several pillars that we are going to thrive on and have designed the product around:

1. A 4-star hotel at great value
2. Bespoke services and facilities
3. Spa & well-being
4. Authentic, localised experiences
5. Culinary uniqueness (Quality over quantity)
6. Sustainability & the environment

We are transforming the Hotel into one of Barbados' most intimate wellness sanctuaries - a place where guests reconnect with themselves, nature and the art of authentic Caribbean hospitality, which is in our roots.

Thank you for your continued partnership and support. We look forward to sharing this exciting journey with you. Together, we will redefine the Sugar Cane Club experience and wellness in Barbados.

Warm regards,
Rod Weatherhead
Managing Director, Sun Group Hotels

The Guest Journey

WHAT A STAY MIGHT LOOK LIKE

From the moment you arrive at Sugar Cane Club and receive the warmest of welcomes, time begins to slow. The air feels fresh, the building's furnishings feel warm, and the natural environment surrounds you.

Your room or suite is your private sanctuary - a place to unwind and relax.

Each day unfolds gently with nature, with oneself, and the rhythm of living an island life.

Try out the morning yoga, breathwork, or special pleasures designed for your experiences. Food & drinks across multiple outlets celebrate nourishment and pleasure in equal measures; service feels personal, genuine, and quietly attentive.

You can choose to relax at the beach or by the pool with a fresh detox juice or cocktail, or pamper yourself with a rejuvenating treatment at the Spa. Alternatively, you can take part in various activities, including yoga, breathwork, meditation, hiking, mountain biking, and more.

At Sugar Cane Club Hotel & Spa, all guests will have access to several of the hotel's sister companies and services, such as Haymans Market (Barbados's largest indoor market), Sand Street Bistro Restaurant and Bar in Speightstown (5 min away), Car Rental and Excursion Companies.

You are truly encouraged to do as little or as much as you wish during your stay, and our team remains attentive to your needs.

When it's time to leave, you will carry something deeper than memories — a feeling of renewal, clarity, and calm that stays long after you've gone.
