À LA CARTE ALL INCLUSIVE®

As part of the evolution of its À la Carte All-Inclusive® concept, The Fives Hotels & Residences® has implemented significant improvements in its culinary offerings. These Changes include:

Culinary Transformation: Sea Olive® Becomes an Italian Trattoria & Pizzeria

As part of this transformation, our beloved restaurant Sea Olive® will be renovated and reopen as an Italian Trattoria and Pizzeria, offering an authentic Italian culinary experience. Guests can indulge in freshly baked pizzas, homemade pastas, and classic dishes from this country's cuisine, all in a warm and welcoming atmosphere.

Tasting Menus & Omakase

Experience culinary delight with three distinct six-course tasting menus offered at Santa Sirena, located at The Beachfront by The Fives. Additionally, savor a unique Mexican Omakase at Kiin Rooftop in The Fives Oceanfront Puerto Morelos.

Revamp of Signature Bars & Addition of Premium Beverages

At Cantina 1910, our Beverage Program has expanded to showcase over 40 exquisite tequilas, mezcals, and Mexican distillates, perfect for creating amazing cocktails and immersive tastings. Additionally, our Gin Bar now features more than 15 unique gins, elevating your cocktail experience with diverse and captivating flavors. We are increasing our premium bar selection to include Tito's Vodka, Buchanans 12 Whiskey, Svedka gluten free Vodka, Grey Goose Vodka among others.

New Menus in A la Carte Restaurants

We are excited to unveil a comprehensive refresh of our à la carte restaurant menus, introducing innovative culinary creations and new product offerings, across our dining outlets. These enhancements are thoughtfully designed to provide our guests with a modern, vibrant, and unforgettable dining experience.

JOY & WELLNESS®

New additions to our Joy & Wellness Program include the following activities and workshops included in our All Inclusive.

Fitness Program

Our fitness program now features all-new, state-of-the-art equipment and a diverse range of classes, including HIIT, arm and leg training, functional training, core strengthening, and flexibility-focused sessions. With guidance from our expert fitness instructor, guests can look forward to a dynamic and results-driven experience.

New Wellness Initiatives

The rotating wellness calendar will feature a diverse array of activities, from Ayurvedic nutrition and ojo de dios ceremonies to sound healing, mindful breathwork, and guided walks, ensuring a holistic experience that nurtures mind, body, and spirit.

Artisanal and Organic Perfume Workshop

SAVITRI was born from a passion for the art of artisanal perfumery, creating pure, natural scents in collaboration with skilled family artisans. Each fragrance is crafted with devotion, offering a refined, healthy alternative to synthetic formulas.

Temazcal Ceremony

Our Temazcal Ceremony is an ancient Mesoamerican ritual of purification and healing, held inside a small, sweat lodge-like structure heated by volcanic stones. Guided by a shaman, participants engage in chanting, meditation, and herbal steam therapy for spiritual and physical renewal.

Cacao Ceremony

Is a heart-centered ritual rooted in ancient Mayan tradition, using cacao to open the heart and deepen spiritual connection. Participants drink pure cacao to encourage introspection, connection, and healing.
