

**THE HAMILTON BEACH
VILLAS & SPA**
Luxury Living on the Beach

Located directly on clear blue waters of a pristine stretch of sunset facing Pinneys Beach, the rainforest of imposing Nevis Peak is our backdrop, a lush curtain for magical sunrises. The Hamilton provides a most tranquil retreat here on our welcoming, laid back tropical island home. Nevis is bursting with adventure and activity, while still unique in retaining a culture and charm not found today.

Come and experience our less travelled Caribbean! Centrally located on the west coast of our 36 square mile island, with Nevis Peak looming as our backdrop, The Hamilton is minutes away from a great array of restaurants, beach bars, activities and historical sites. Our Nevisian team of friendly faces will embrace you and proudly share their lovely island home they have so much pride in.

AMENITIES

We've carefully furnished our units to include most of the amenities found at home. Dual-zoned central air conditioning. Big kitchens, a center island, fully equipped, with ice makers too. We will stock the Bosch refrigerator with preferred food and beverages. And if you don't feel like cooking, there is an excellent casual restaurant, just steps away on the beach, which serves breakfast, lunch and dinner.

Wi-Fi internet is complimentary throughout the property and full cable television is available. You can travel light with just your carry-on bags, since you will have a full size washer and dryer. We have two pools, including one that is 120 feet long that is great for swimming. Our gym is open 24 hours a day and located right next to the intimate Hamilton spa, which is tucked away behind a large Mango tree. Our office is available to welcome you and assist with any of your needs or wishes. All of this is right here on idyllic Nevis in a tranquil setting on a pristine stretch of Caribbean beach.

A year round bounty of fresh local produce. Ripe tropical fruits. Massive Mango trees, dripping with so many varieties. Hydroponic lettuces, herbs and peppery arugula. Farm fresh eggs delivered daily. Island baked breads. Always a catch from the sea; Lobster, Mahi and Wahoo. A traditional spit roasted pig, its meat sweetened all summer by those same mangos we all devour each season.

For such a small island home, Nevis has a fine variety of excellent restaurant offerings, their purveyors taking advantage of our wonderful local resources. From smoky ribs and chicken and ice cold beer on Friday nights at Pump Road, to excellent seafood and rum punches at our casual, open air beachside haunts, to the fine dining rooms of our famous inns, Nevis and its farmers and fishermen and chefs and smiling hosts feed our guests very well! And you'll find solid wine lists too, along with unprecedented rum options, with one bar in particular offering over 125 different bottles.

Our onsite restaurant, Yachtsman Grill is excellent. Breakfast, lunch and dinner is served on a seasonal schedule. Come and dine with us. Come and celebrate with Nevis!
