Restaurant

Hott Pott Restaurant

While guests relax by the pool there meals are prepared by the lovely Joy-Ann Gregg! Joy, as she is affectionately called by our staff and guests, is known for her delicious traditional Bajan Food!

A favourite is her hot and crispy flying fish and her cheesy Bajan macaroni pie! Conducting Business? We have the perfect location for a breakfast meeting with your co-workers.

Joy is the proprietor of our restaurant, Hott Pott Cuisine, located poolside of the hotel. She was one of our chefs who had a keen interest in opening her own restaurant and as such, we gave her that opportunity and she's prepared nothing but absolutely amazing food ever since. Simply put, her food is a MUST TRY!
