Give Your Clients The Very Best of the Caribbean

7 ALL-INCLUSIVE RESORTS • 3 AMAZING ISLANDS

The largest of the English-speaking Leeward Islands, Antigua is renowned for its 365 white-sand beaches and impressive maritime history. Its rich culture, fine restaurants and local nightlife offer an array of activities and sightseeing possibilities. History lovers can explore Nelson's Dockyard, a UNESCO World Heritage Site. Located in picturesque English Harbour, its Georgian-style naval buildings date back to the 18th century. The marina also hosts popular sailing and yachting events. The island's pristine beaches and beautiful coral gardens are the perfect setting for swimming, snorkeling, kayaking and sailing. An interior rainforest attracts hikers and zip-liners, while other land-based activities include golf, pickleball, cricket and more.

From trendy to charming, Barbados delights with its wealth of contrasts. A flat coral island, its landscape is dotted with rolling hills. The island's friendly atmosphere offers touches of glamour and sophistication, while its bustling cities are surrounded by cozy pink cottages, blue lagoons and coconut groves. Often referred to as "the little England of the Caribbean," the island's language, lifestyle and architecture reflect its rich British heritage.

The Garrison area near Bridgetown, a UNESCO World Heritage Site, is a must-see for history lovers. Visitors might also attend a polo match, discover the story of the island's renowned rum, dine on flavorful Caribbean delicacies, stroll powdery beaches or dance away nights to the swaying rhythms of a calypso band.

Sun-kissed beaches. Turquoise waters. Swaying palms. The 32 islands of Saint Vincent and The Grenadines offer all the hallmarks of a tropical Caribbean paradise, while remaining free of the tourist crowds of better-known islands.

This is the authentic Caribbean, virtually untouched by time. Among the islands is Palm Island, our very own private island resort. The Grenadines are popular with celebrities and royalty seeking a secluded hideaway.
